

# CCHS Counseling Updates

April 21<sup>th</sup>, 2020

Hello students and parents,

We wanted to let you know that the CCHS Counseling Department is here for you during this difficult time. We are working from home and will continue to provide support and guidance to our students.

We are setting up Counseling Office Hours so you can stay in touch with us during the school closures. We will be available Monday-Friday from 8:00am-3:00pm to answer emails and support academic and personal needs. If an issue cannot be answered over email, an appointment with your counselor can be set up using Google Meet (virtual).

**Office Hours**  
Monday-Friday  
8am-3pm  
Via Email, Google Classroom, or Google Meet

Counselors will be giving updates through the Counseling Google Classrooms set up for each grade level. We will also be reaching out to students regularly via email, so please check and respond to your emails at least once a day for the remainder of the school year.

If you feel that you need additional resources or support, please don't hesitate to contact us. We look forward to staying in touch and supporting you for the weeks to come.
