- 1) Surveillance testing helps to monitor community spread of COVID-19 within our school sites and help keep everyone safe.
- 2) Testing is voluntary and free for **ALL** students/staff (a signed consent form required for student testing).
- 3) Testing will be offered everyday at each school site to all students/staff throughout the school day.
- 4) Appointments are recommended at some sites. Call ahead to verify.
- 5) Testing for family members will also be available Monday-Friday at the District Administrative Center Yucca Room or Edward Wenzlaff Alternative Education Center.
- 6) Parents who have more than one child at multiple school sites can have their children tested at any of the school sites where their child attends.
